Dance with Stefy

Private dance lessons in Cartagena, Colombia

Meet Stefy

I started dancing at 15 and have made Salsa and Bachata my focus since 2017. I've taught in Mexico and led workshops in Germany and Switzerland. I bring warmth, patience, plenty of energy and a genuine passion for dance to every lesson. I break down each move so you can relax, find your rhythm and grow more confident at your own pace.

From the first song, you're on your feet. I meet you at your level, whether you're finding the beat for the first time or making a familiar move feel smoother. By the end of the lesson, you'll have steps you can take straight to the dance floor.
